Sorry, I don't have any time to contribute.		

I would be willing to vote for the new AAUPW Board via Survey Monkey instead of at the May meeting.

Due to Corona protection efforts, I would be interested in attending a virtual AAUPW meeting in April in lieu of the regular program meeting. (Please note - this would most likely be held on Zoom. If you are worried about privacy issues, then we suggest you do not attend as the Board cannot be held responsible for Zoom's policies.)

A wonderful group with interesting women. I appreciate the diversity of ages, interests and opinions. I do wish, however, that there was more focus on professional networking/connections. I do very much like our involvement in charities and the fact that we always have at least 1 speaker per year from a nonprofit. I would like to see the level of political discussion/focus downplayed.

Let me think some more about volunteering my time. I might possibly think about membership secretary or doing GNO coordination with someone.

Love you guys! Xoxo

My answers above may be confusing/misleading since I am currently a member of the Pro-

gram Committee and am willing to remain on the committee.

1. I do not have access to Zoom video (possibly to audio). My tablet is too old, my computer doesn't have a camera, and I don't have a smart phone. 2. Wish the book club ran as smoothly as the choir does.

We should choose a new restaurant for our monthly meetings, because the menu is limited and expensive

would have been nice to have more than one reason for joining, thanks for everything !

Question # 6 should allow multiple answers

I love the group. Not ready to get back on the board right away, but I will again in the future. Happy with our set up for meetings.

Would love to see some younger members on the board
